

OPTIMUS SECRET SHOWS BRINGS NELLY FURTADO TO PORTUGAL

- The Portuguese-Canadian singer will lift the veil on her new record, this 26th of November
- New concept of FREE, EXCLUSIVE AND SECRET performances offered by MySpace and Optimus is shaking the music scene
- The only thing yet to be revealed is the location and time of the second Optimus Secret Show.

Lisbon, 12th of November 2009 – Nelly Furtado is the star of the second edition of Optimus Secret Shows, already scheduled for the 26th of November. Portuguese fans of the Luso-Canadian star, who has not performed in our country since 2007, have long awaited this return.

Keeping the secret spirit of this original concept, the location and time of this **acoustic, exclusive and completely free** Nelly Furtado *show case* are yet to be revealed.

The singer of various hits such as “Meneater”, “All Good Things”, “Say it Right” or our “Força”, which drove the Portuguese wild in 2004, during the European Football Championship, returns to our country for a one-off performance, where she will perform some tracks from her most recent album “Mi Plan”, composed entirely in Castilian, including the hit single “Manos Al Aire”. “Mi Plan” has already sold close to 1 million copies around the World and includes special performances from Buika, La Mala Rodriguez, Julieta Venegas and Juan Luis Guerra.

After the premiere (with the Swedish Mando Diao) which widely surpassed expectations, with a queue several hundred meters long and an initial capacity which was clearly exceeded, the Optimus Secret Shows now returns with a much greater commitment. A real race for the seats available is expected.

We remind you that, in order to try and get a place at one of the Optimus Secret Shows, completely free of charge, all you need to do is be a registered user of MySpace, add the Optimus Secret Shows profile and the Optimus Lounge profile, print the ticket and ... run to the queue for the next concert to be one of the first and, so, guarantee a place before the capacity of the venue is filled.

As of now, Nelly Furtado fans have to pay attention to the Optimus Secret Shows page on MySpace because further information will be revealed soon!

About MySpace

Created in January 2004, MySpace is the largest and most popular social entertainment network in the world. A Portal of reference for the latest music, cinema, fashion and general artistic trends, it allows you to communicate with friends while discovering and sharing pop culture, with a positive impact on the world. MySpace has created one of the largest social networks by integrating various interactive tools (profiles, streaming of music, videos, photos, events, groups, e-mail, Messenger, blogs, etc.), all based on the most complete source of music content in the world - more than 10 million bands, 50 thousand of which are Portuguese. The MySpace community incorporates 306 million users, 427 thousand of which are Portuguese, and has a 40% penetration in youths aged from 16 to 34, and where 53% identified that their main source of entertainment was in fact music (Source: Public Opinion Strategies Survey, April 2007).

Globally, MySpace is a unit belonging to Fox Interactive Media Inc, with more than 30 community sites in the United States of America, Brazil, Canada, Latin America, Mexico, Austria, Germany, Denmark, Finland, France, Ireland, Italy, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, United Kingdom, Poland, Russia, Australia, India, Japan, Korea and New Zealand. Fox Interactive Media is a division of News Corp (NYSE:NWS - News, NWS.A - News; ASX:NWS - News, NWSLV - News). In Portugal, MySpace is represented by Media Capital Multimedia. www.myspace.com/myportugal

About Optimus in music

Currently Optimus has the most structured and consistent strategy connected to music in Portugal. Since 1998, when the brand was launched, music was, from the start, the operator's biggest investment. Today, 11 years on, the support given to music can be seen in various projects where ambition, innovation and passion for music are common denominators in a very strong strategy which supports the musical universe.

In 2009 Optimus reinforced its presence in music even more by getting involved in various projects, based on different types of support, with creative approaches where music is always the centre point. Clubbing Optimus, at Casa da Música in Porto, welcomes the most promising electronic developments or some of the most experimental proposals in a bold fusion between space and sound, architecture and music. The sponsoring of Optimus Alive!09, considered by many specialists as the best festival in the country and one of the best in the world. The intimate concerts in the Optimus Store at Casa da

Música, thinking most of all about the most devoted fans of each guest artist. The editor Optimus Discos which emerged on the market as a truly ground-breaking and innovative project which took on the pioneering decision of supporting Portuguese music. The extensive sponsorship of the 30 years of Xutos & Pontapés and, lastly, the site www.musica.optimus.pt which also works as an important platform in supporting music, with the possibility of watching various concerts live and listening to music from various artists and bands, with the possibility of consulting music critics on new album launches, and also other daily news and interviews.
